HOME ABOUT US SERVICES

# ABOUT US

## HISTORY

José A. Batlle & Asociados (**JABA**) was founded in 1972 to provide consulting services in Engineering and Architecture to governmental, industrial and private enterprises. Our organization has been characterized by dynamic continuous growth since we started operations. Automatization and simplification of work has been our key element towards the successful accomplishment of project designs trusted to us.

**JABA** has been associated with an interdisciplinary group of professional engineers and architects for more than 40 years, expanding our scope of services to cover practically all the spectrum of Engineering and Architectural work. **JABA** offers a wide range of professional services for the design of freeways, highways and bridges, buildings, stadiums, parks and recreational facilities, municipal water and sewer systems, foundations of marine structures and commercial and industrial sites. The services provided include planning and budgeting, surveying, sub-soil studies, environmental studies, traffic studies, design, construction inspection and services during construction. Our clients and market include federal, state and local government agencies as well as private, institutional, industrial and commercial clients.

## MISSION

**JABA** is a civil engineering consulting firm committed to the highest quality of professional service and technical excellence. By focusing integrated team efforts, we strive to achieve the goals of our clients, as well as the public needs. Our employees share the pride, respect, and growth which result from our company's success.

## AFFILIATE COMPANY TO EXPORT PROFESSIONAL SERVICES

**JABA Engineers International, LLC** is a Limited Liability Company organized pursuant to the laws of the Commonwealth of Puerto Rico, owned and managed by José A. Batlle Ojeda, P.E. and José A. Batlle Montalvo, P.E., civil engineers with more than 40 years of professional experience. The company aims to export, professional engineering and architectural consulting services and project planning services to markets outside of Puerto Rico, including, but not limited to, United States and Central and South America.

**JABA Engineers International, LLC** is a subsidiary of José A. Batlle and Associates, C.S.P., a Professional Services Corporation in Puerto Rico.
